

# HP Mini 1133CA XP Edition

## THE PERFECT MOBILE COMPANION

- Experience the familiarity of genuine Windows® XP Home Edition.
- Travel light with an ultra-mobile design – 2.45 lbs and only 1" thin!
- Work and play in comfort on the near-full-size (92%) keyboard.
- See Web sites and photos clearly on the 10.1" diagonal HP BrightView Infinity display.
- Chat face to face with built-in HP Mini Webcam and integrated 802.11b/g wireless LAN.<sup>(10b)</sup>
- Snap an HP Mobile Mini USB drive into the recessed port to add storage.<sup>(5)</sup>
- An optional HP Mobile Mini USB Drive adds valuable storage space without the weight.
- Get internet access anywhere cell phone coverage is available with HP Mobile Broadband.<sup>(10g)</sup>

HP recommends Windows® for everyday computing.

### THE COMPUTER IS PERSONAL AGAIN.

### KEY SPECS

- Intel® Atom™ Processor N270<sup>(3)(4a)</sup>

- HP un2400 Mobile Broadband<sup>(10g)</sup>
- 80GB (4200RPM) Hard Drive<sup>(7a)</sup>
- 802.11b/g WLAN & Bluetooth<sup>(10)(10a)</sup>

### WHAT'S A MINI?

**Easier to use than a smartphone. Just as easy to carry.** Minis offer the functionality you need to get online plus stay in touch and entertained. To support your always-on lifestyle, it's time to consider the perfect companion PC. Introducing the HP Mini 1000. Ultra mobile at 2.45 lbs and less than 1-inch thin, the HP Mini 1000 provides a convenient alternative to carrying your primary notebook PC everywhere you go. It offers quick, easy access to online resources and digital entertainment—at a compellingly low price point.<sup>(15)</sup>

### ULTRA MOBILE PERFORMANCE

Based on a ground-breaking new Intel® architecture, Intel® Atom processors provide reliable, energy-efficient performance optimized for Internet access and basic communication. Integrated 802.11b/g wireless LAN enables high-speed wireless access where available. Bluetooth delivers the convenience of connecting with other Bluetooth-enabled devices, including printers and mice to cell phones and headsets<sup>(10b)</sup>.

### SURF COMFORTABLY

E-mail, instant messages, video chats, social networks and more—the HP Mini 1000 helps you stay in touch whether you're moving around the house, around town, or across the country.<sup>(15)</sup> The built-in HP Mini Webcam keeps you close to friends and relatives, and the near-full-size (92%) keyboard is more comfortable for most than the thumb keys on smartphones and PDAs. The 10.1" diagonal HP BrightView Infinity display delivers the frameless look of the future plus an expansive viewing area compared to other mobile devices.

### WATCH. LISTEN. ENJOY!

The HP Mini 1000 lets you enjoy your own digital entertainment as well as online content. The spacious display enables comfortable viewing of e-mail, Websites, and streaming videos. You can even play a variety of casual games, online or off. The HP Mobile Mini USB drive provides additional storage capability.

### NEED A HAND?

#### Answers to your questions. Solutions to your problems.

Industry-leading, award-winning HP Total Care offers friendly, expert assistance around the clock, available by phone, e-mail, and online:

- Call 1.800.HP.INVENT (1.800.474.6836) for toll-free telephone support
- Send e-mail to our support center and receive an answer in about an hour
- Visit [www.hp.com/support](http://www.hp.com/support) for online chats, FAQs, and other resources
- Click the desktop help icon for quick access to online support
- Launch HP Advisor for easy-to-use diagnostic tools and system update

### ecoHIGHLIGHTS

- ENERGY STAR® qualified and EPEAT™ Silver registered
- HP advanced power management features and aggressive default power settings reduce energy consumption
- Exclusive use of EPA SmartWay carriers for reduced transportation-related emissions
- Recyclable packaging material for less waste
- A variety of environmentally responsible accessories are available including extended life batteries and mice
- Free and responsible recycling for your old HP and Compaq computing hardware\*\*

<sup>(2)</sup> Intel's numbering is not a measurement of higher performance. <sup>(4)</sup> GHz refers to internal clock speed of the processor. Other factors besides clock speed may impact system and application performance. <sup>(4a)</sup> Actual bus speed is less. Listed bus speed represents the equivalent effective throughput for data. <sup>(6)</sup> Shared video memory (UMA) uses part of the total system memory for video performance. System memory dedicated to video performance is not available for other use by other programs. Note: this disclaimer affects system memory and graphics. <sup>(7a)</sup> 1 GB = 1 billion bytes. Actual formatted capacity is less. Up to 8GB of system disk is reserved for system recovery software. <sup>(8)</sup> High-Definition content is required to view high-definition images. <sup>(9)</sup> Actual speeds may vary. <sup>(10)</sup> Bluetooth is a trademark owned by its proprietor and used by Hewlett-Packard Company under license. <sup>(10a)</sup> The specifications for the 802.11n WLAN are draft specifications and are not final. This may affect the ability of the PC to communicate with other 802.11n WLAN devices. <sup>(10b)</sup> Wireless access point and Internet service required and is not included. Availability of public wireless access points limited. <sup>(10g)</sup> Separately purchased mobile operator network service contract is required. CDMA and GSM use may require more than one service contract. Limited to mobile network operator coverage area. <sup>(12)</sup> Weight will vary by configuration. <sup>(13)</sup> Internet access requires payment of additional fees or subscription for use. Special Offers do not include local telephone company charges, if any, or applicable taxes. Any long distance charges incurred will be the responsibility of the customer. <sup>(13a)</sup> Internet access may require payment of additional fees or subscription for use. A valid credit card may be required to initiate service. High-speed internet access options are not available in all provinces and territories in Canada. Communication charges may apply. For additional terms and conditions, visit [www.hp.ca/internetoffers](http://www.hp.ca/internetoffers). <sup>(15)</sup> Internet access required and sold separately. <sup>(20a)</sup> Up to 12GB of the hard drive is reserved for the system recovery software. Actual product may vary from image shown on datasheet. ©2009 Hewlett-Packard Development Company, L.P. The information contained herein is subject to change without notice. The only warranties for HP products and services are set forth in the express warranty statements accompanying such products and services.
